

# TOP LINE STAFF

## Lance Engle

Lance Engle has been an entrepreneur from a young age, working construction, starting a custom computer company and having a hand in developing a bottled water company. He has spent extensive time working and dealing with cars and decided to turn it into a business. Lance founded Top Line along with his younger brother Spencer.

## Spencer Engle

Spencer Engle has always loved cars. After a year of studying Entrepreneurship at Southern Adventist University, he decided to go into business with his brother in order to follow his dream. Spencer has been buying, fixing, and selling cars with his family for years and looks forward to turning it into a successful family business.

## **Why Top Line?**

At Top Line Motor Cars, we strive to bring you excellence. Whether it is excellent service, tips, check-ups or an excellent vehicle, we want to give you the best experience possible.

## **You Sell Used Vehicles?**

Yes, we sell used vehicles. Although none of our stock is new, we guarantee you a running car. We ticket our cars fairly and keep up with competitive prices. Buying used cars can be a treasure hunt. You may find a glitzy Cadillac CTSV with low mileage or you may find a seasoned Honda Accord that will carry you until it's 400,000th mile. Regardless of what you're looking for, we promise you excellence of service and reassurance that you've got the bang for your buck.

## **Do You Buy Cars?**

We are always looking to purchase if we have room on our lot. We buy with cash or check. We will not combine vehicles on our lot with cash in order to purchase your car. Give us a call or send us a link to your Ebay or Craigslist listing and we will get back to you on our decision.

## **Do You Accept Trades?**

We accept trades on vehicles priced under \$3,000. We will also accept trade and cash combinations for desired vehicles above your trades worth. However, we do not consider all vehicles applicable for trade. We will need to evaluate your car and assess it's value in order to offer a trade.

## **What About Title Exchanges?**

Not to worry! Both Lance and Spencer are certified notarys and will be able to sign your title exchange at the lot!

## **What If I Have Car Trouble?**

As we always say at Top Line, we bring you excellence! If you have found a problem, please bring the vehicle back to our lot and we will give it a look. If our assesment concludes that your issues were issues we overlooked, we will refund you or fix it for free. If it was an issue that came after the purchase, we will fix it for a discounted price.

## **Where Are You Located?**

We are located 15 minutes off of Route 15. If your GPS gets confused, or Apple Maps gets you lost in the woods, give us a call for directions or look up some detailed directions on our website.

## **What's With the Amish?**

The Amish are our friendly neighbors! You will likely notice their farms and buggies on your way to our lot. Please be courteous to them on the roads and please be sure to check out their road side stands. The Amish have some of the most fresh produce around and we gladly support them in our community! In fact, our lot is located right across an Amish farm and 10 minutes from an Amish convenience store!
